

Leadership Pipeline

This one-day virtual program is designed for women who are focused on building their careers: thinking of a new role, applying for that promotion - or just being recognized as an up-and-coming leader. This class will help you to design your own road map to getting there!

Leadership Pipeline is sure to enlighten, empower, equip and energize all who participate!

October 7, 2021 - 9:00 a.m. to 5:00 p.m. CT

Leadership Pipeline is designed to help you become your best professional and personal self by teaching you valuable new skills as well as making you part of our network of accomplished and successful women.

Learn skills that can help you improve your communication techniques; make better decisions; manage conflict; collaborate successfully; manage your time more effectively; develop your cross cultural intelligence, learn how to maximize teams - all skills that will help you be the leader you know you can be!

Also includes...

The LW Mentor Session: a unique opportunity to engage with seasoned leaders from corporations, government agencies and non-profits who offer real-life advice on dealing with leadership challenges and achieving your leadership potential.
