# 2021 Leadership Texas

a program of  
Leadership Women, Inc.

## We are pivoting to meet the moment...

Leadership Women is changing how we do things during this time of COVID. As the longest running women's leadership development organization in the country, our priority is conducting our business safely for everyone. We know that many of you seek a sense of normalcy, while others are not yet ready. Our attention to safety as well as adding virtual programming to our regular offerings is designed to let you participate the way you want to, when you are ready.

## 2021 Programming

In 2021, our Leadership Texas program will be comprised of three sessions, with the first session starting in June. But wait...our virtual programming will start as soon as February! Yes, Leadership Texas will bring its dynamic list of speakers and topics to the comfort of your home or office. This revised format will offer more programming hours and more opportunities for small group interactions prior to meeting in person.

## Our Commitment to Safety

When the time comes to gather in-person, all meetings will be conducted in accordance with guidance from state and national health organizations. It is our pledge to work with hotel professionals and venues to ensure social distancing and safety protocols are in place.

For added safety, Leadership Women has created the "LW

Commitment to Safety" for all in-person gatherings...a living document that outlines Leadership Women's commitment and establishes each individual's responsibility towards a healthy meeting environment.

## New Schedule, New Pricing

In addition, Leadership Women understands that many individuals and organizations are cutting back during this time. Therefore, we are also implementing new pricing for 2021. This year the cost of attending the Leadership Texas program will be \$3,000...a reduction of \$1,000! This includes all virtual sessions in Q1, three in-person meetings, programming materials/activities and most meals. Individuals are responsible for hotel and travel costs.

## Apply Now!

Join us for this exciting year long program and visit three Texas cities where you will learn about the opportunities and challenges facing their leaders, develop new leadership skills, gain new perspectives and broaden your understanding of what it means to be a leader.
